Technical Sheet

AIR STREAM

Description :

- Designed to offer **protection against shocks** and minor impacts to the head.
- **Maximum ventilation** for hot environments.
- New microfibre foam with second-skin effect, **100% breathable** and able to a**bsorb 8 times its weight in water.**
- **Thermoregulating effec**t: perspiration doesn't build up, because the fabric encourages evaporation, so your head stays dry at all times.

THE NEW BUMPCAP STANDARD EN 812 : 2012 THE LIGHTEST

Head impact protection with PPE shell to standard EN 812 : 2012, made in France

Side and front vents for a thermoregulating effect
