Cut A General Handling Thermal Glove

Medium weight sandy nitrile, machine knitted general purpose winter glove with an integral elasticated wrist.

Key Features:

- Medium weight seamless acrylic terry liner, providing excellent thermal insulation for warmth and comfort in cold environments.
- The terry loop construction with added buffing enhances heat retention while maintaining breathability, preventing excessive sweating inside the glove.
- Soft and skin-friendly inner lining ensures long-lasting comfort during extended wear.
- The palm is coated with a soft sandy nitrile layer, designed to offer:
  - Superior grip performance in wet, dry, and oily conditions.
  - High abrasion resistance, ensuring a long lifespan in tough environments.
  - Flexible and tactile feel, allowing precise handling of objects.
- Acrylic liner provides thermal insulation even in damp or humid conditions, making it ideal for winter or cold storage environments.
- Designed with an ergonomic hand shape that mimics natural hand movements, reducing hand fatigue.
- Elasticated wrist cuff ensures a snug fit while preventing debris, dirt, or cold air from entering.
- The red glove indicates a low level of cut resistance, as part of the 3-colour TraffiSystem, providing excellent durability for general handling tasks.

Ideal for:

- Logistics, Transport & Warehousing
- Waste Management
- Landscaping
- Oil & Gas Industry
- Construction & Outdoor Work

Technical Specifications	
Size Range:	6-11
Liner:	100% Acrylic
Coating:	Sandy Nitrile
Colour:	Red / Black
Conditions	

Packaging	
Qty/bag:	10 pairs
Qty/carton:	100 pairs
