Model: **WILLOW**

Code: **EX273DG**

Colour: **DARK GREEN**

DESCRIPTION

Long-sleeved men's fleece shirt. Padded checked shirt with quilted lining that retains warmth and ensures and an ideal micro-climate, even in the coldest times of the year.
Shirt jacket with two patch pockets on the chest and inner lining of the collar, cuffs, bottom hem and inside of the pockets in soft corduroy. Two additional pockets at the bottom and an inner pocket at the bottom with Velcro fastener. The chest pocket on the right side features a convenient pen holder hole.
Central closure and pockets and cuffs closure with snap buttons.
Checked shirt with U-Power logo patch on the back, behind the collar.
The soft corduroy inner collar lining of this winter shirt prevents heat loss. The corduroy lining is also applied on the cuffs, bottom hem and inside the flap of the chest pockets.
Fleece shirt with collar with Velcro fastener to protect the neck from the wind and the cold.
Jacket shirt ideal for work and leisure.
