ALPHA SENTINEL

Spares and Accessories

Designed for use with the **Alpha Sentinel** respiratory masks, the Alpha Sentinel spares and accessories range offers a range of replacement parts and additional components. The spare parts and storage options for the Alpha Sentinel range help prolong the operational lifespan of the respirators.

Included in the range are full face mask (FFM) face seals and visor kits available in three sizes, along with storage bags, boxes, and retail bags. The spare parts are easily integrated into Alpha Sentinel products, contributing to their longevity, and maintaining the high performance of each respirator. The replacement components also ensure that any worn or damaged parts can be effortlessly exchanged for new ones.
