LONG-SLEEVED ARC T-SHIRT

TS221

PRODUCT DESCRIPTION

The Long-Sleeved Arc T-Shirt combines advanced protection with unmatched comfort. Featuring a lightweight, breathable fabric that keeps you cool and dry under pressure, and durable round neck rib-knit collar and open cuffs, it delivers a secure fit while maintaining freedom of movement.

Certified to APC 1 with a 4.1 cal/cm² ELIM rating, the TS221 integrates SafetyICON™ technology, so you always know your protection level. Improved colour fastness and durability mean it stays strong, wash after wash.
