Product information

The Modaflame Rain Multi Norm Arc Trouser gives full protection against a range of standards and is packed with features. With a zip off function at the back, the bib can be removed completely to turn it into a trouser which adds to its overall versatility. FR reflective tape enhances visibility whilst contrast knee panels and hem protect against dirt.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
