Backpack Sprayer

A handy, powerful backpack sprayer which can be used for ground maintenance.

A hand operated backpack sprayer that's designed for general weed killing, ground maintenance, farming and agriculture.

Fluid dispersion is activated by lever pump action using the ergonomic sprung trigger.

The spray can be adjusted through the long 46cm lance and 1m flexible hose. And the robust, 16 litre container is worn using adjustable shoulder straps.

Key features & benefits

- Robust 16 litre container.
- 1m flexible hose.
- Ergonomic sprung trigger.
- Adjustable 46cm lance.
- Flexible 1m hose.
- Adjustable shoulder straps

Where it's used

General ground maintenance, weed killing, farming and agriculture.
