PVC cones 90cm orange, empty base to load - 2m belt no entry logo

Construction cone with a strap for securing a construction site and a hazardous area. The cone has a weighted rubber base and a 2-meter-long, 5-centimeter-wide strap. The empty base can be weighted with water or sand. The strap, on the other hand, has a braking and anti-panic system that automatically releases the strap in case of an emergency. The reel can accommodate up to 3 different straps and has a threaded hole for attaching an information panel. Suitable for outdoor use thanks to its waterproof housing. A wide range of options is available, including information panels, wall mounts, and strap customization.
