

APACHE
INDUSTRIAL WORKWEAR

PRODUCT NAME

PICTON

KEY FEATURES

- Stretch Side Panels
- Baffles filled with recycled polyester
- Zipped pocket to left chest
- Drawcords to hem to ensure best fit

ITEM DESCRIPTION

The PICTON is the best gilet from Apache yet. Featuring a nylon ripstop main fabric, with stretch side panels, to ensure maximum comfort and movement throughout wear. The individual baffles are filled with recycled polyester. There is a zipped pocket to the left chest along with two zipped front pockets. At the top of the main zip you have a cover to ensure the zip does not rub when zipped up fully. The gilet has a drawstring cord hem to ensure it fits perfectly to each wearer. Apache branding to right chest and rear of the jacket which pairs perfectly with our new Calgary trouser and Whistler shorts for whatever weather you are working in.
