Data Sheet

2 m (6 ft.) USB-C to DVI Cable - 1920 x 1200 - Black

Product ID: CDP2DVIMM2MB

This USB-C™ to DVI adapter cable offers a convenient solution for directly connecting your DisplayPort over USB Type-C™ device to your DVI monitor or projector. The adapter offers a connection distance of up to 2 m (6 ft.) and works with USB-C devices that support DP Alt Mode, such as the MacBook, Chromebook Pixel™ and Dell™ XPS™ models 15 and 13. It's also compatible with Thunderbolt™ 3 ports.

Clutter-free installation

At 2 m (6 ft.) in length, this adapter cable delivers a direct connection that eliminates excess adapters and cabling, ensuring a tidy, professional installation.

For shorter and longer installations, StarTech.com also offers a 1 m (3 ft.) USB-C to DVI cable (CDP2DVIMM1MB) and 3 m (10 ft.) USB-C to DVI cable (CDP2DVI3MBNL), enabling you to choose the right cable length for your custom installation needs.

Crystal-clear picture quality

The adapter harnesses the video capabilities that are built into your USB Type-C connector to deliver video resolutions up to 1920x1200, providing support for your high-resolution DVI monitors - great for multitasking on high-resolution DVI displays. The adapter is backward compatible with 1080p displays, which makes it a great accessory for home, office or other HD work environments.

The CDP2DVIMM2MB is backed by a 2-year StarTech.com warranty and free lifetime technical support.

Note: Your USB-C equipped device must support video to work with this adapter.

Certifications, Reports and Compatibility

RoHS Compliant Available

Applications

- Connect a USB Type-C computer to a DVI projector or display in your classroom, auditorium or boardroom
- Install at your home workstation or office hot desk to make your USB-C computer compatible with your DVI display

Features

- Reduce clutter with a 2 m (6 ft.) all-in-one solution with a combined cable and adapter
- Hassle-free connection with the reversible USB-C connector
- Crystal-clear picture quality with support for video resolutions up to 1920x1200
