PIPE VICES

6A - 150A (⅛" - 6")

Ensure high durability and long life.

· Designed with an array of teeth, REX vices provide optimum clamping for pipes of different sizes.
· Teeth are specially heat-treated for increased durability.
· Compatible V0 and VL1 teeth clamp soft pipes firmly without damage.
· For convenience, the VL1 comes equipped with legs.
· Special jaws for coated steel pipes are also available.

Chain vice

· Compact, lightweight, and easy to use.
· One vice for fixed-mounting or portable use (workbench or vice stand).
· Pin and hook system allows easy adjustment according to the size of the pipe. Just turn the handle for a really firm grip.
