Shelf bin 186x400x82 Black ESD

Shelf bins are designed to fit all standard metric shelves, cabinets, paternosters and industrial workstations. Bins of the same width stack securely, even if they are of different depths. Straight sides ensure an efficient use of space and the bins are available in several bright colours to facilitate product identification. You can see the contents clearly through the transparent bins. Each bin comes with a label and protective shields.

Product code	4020-4ESD
EAN-code	6416763039777
Width mm	186
Depth mm	400
Height mm	82
Internal width mm	167
Internal depth mm	357
Package width mm	410
