The LetraTag tape system

The tape range has been extended to provide new solutions for home needs. In addition to existing paper, colour plastic and metallic tapes, a clear plastic tape is now available. A convenient iron-on tape for labelling clothing is also on offer. This new consumer-focused tape can be used to stick black & white-printed labels onto clothing items and is machine washable up to 60°C. Ideal for the new school year or summer holidays!

Paper
Economical, multipurpose, indoor use

Plastic
Durable, wipeable, indoor use

Metallic
Decorative, long-lasting, indoor use

Iron-on
Iron-on labels for marking clothing
machine-washable
