

Automatic Tip Cleaner, Metal Brushes

Item No: WATC100M

Versatile. Efficient. Powerful Cleaning. The versatile WellerTools WATC100 cleans soldering tips and tweezers in a second without spilling any debris on your workbench. With the Weller WATC100 the life of your soldering tips will be extended, and soldering results will be of higher quality and consistency because of better heat transfer from the tip to the components. Its small footprint and ESD safe housing are especially developed for all levels of production facilities. Built-in versatility for all your soldering tips and tweezers. Save time, money and protect your investment.
