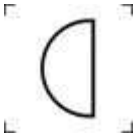
FLEXLAB, labelling sheet, printed, Hell, transparent



fields of application

- Measurement-control-regulation
- Electrical engineering
- Mechanical and system engineering
- Vehicle construction
- Handheld terminals
- Industrial robots

description

FLEXLAB stands for FLEXIBLE LABELING - flexible labelling of RAFIX or RAMO pushbutton and lighting indicator covers. FLEXLAB enables customers to label individually such compact elements.

tandardized legend inserts are available for installation on pushbuttons. The available symbols (printed in black) are standardised and defined in accordance with DIN ISO 7000:2008-12. The legend inserts are pre-cut in 10 pieces and can be separated individually from the sheet.

technical data
