OPCP306006EE

Extension frame, 300x600x55

The extension frame will allow for components that do not fit within the standard depth of the terminal box to be mounted.

CHARACTERISTICS	
Note	Table 1
Height	300 mm
Width	600 mm
Depth	55 mm

Item no.: OPCP306006EE
EAN no.: 6418677197796

Technical data

Description: Depth extension frame is to be used when extra depth is required in the OABP/OPCP terminal boxes.

Material: Polycarbonate.

Pack quantity: 1 piece.

Features

Feature: Polycarbonate depth extension frame for polycarbonate and ABS terminal boxes OPCP and OABP.

Advantage: The extension frame increases the depth of the standard terminal box by 55mm and is mounted between the terminal box's front cover and body.

Benefit: Components that do not fit within the standard depth can be installed thanks to the increase in the terminal box's depth. The extension frame can be easily mounted at the last minute.
