UPT-20, 0...16 bar gauge, 1/2 NPT , 4...20 mA/HART, 2-W

Universal process pressure transmitter UPT

Item number:	82109980
Quantity:	1 pcs.
Order code:	UPT-20-ZZZ-KAPRS-BG416-NDZS2Z-ZZ PZZZZZZZZZZZZZZZM1000Z-ZZFUP
Overview:	UPT-20, 0...16 bar gauge, 1/2 NPT , 4...20 mA/HART, 2-W , 0.15% plastic case, plastic window PC 4 1/2-digit LCD, M20x1..5 cable gland PA black 6-12mm Scaling: ...
Details:	Universal process pressure transmitter UPT Model: UPT-20 Specifications according to data sheet: PE 86.05 power supply: DC 12...36 V / DC 14...30 V Measuring range: adjustable with turn down up to 100 : 1 Ingress protection: IP 66/67 with pressure compensation Process connection type: Standard connection with pressure port Case design: plastic version, IP66/IP67 Digital Display: with integrated 4 1/2 digit LCD-display window: plastic window PC Output signal: 4 ... 20 mA with HART protocol, 2-wire Electrical connection: M20x1,5 / cable gland PA black (ø6-12mm) Measuring range: 0...16 bar gauge Process connection: 1/2 NPT Accuracy: 0.15% of span Sensor principle: piezoresistiv
