DATASHEET - ASBUZZ230

Buzzer, 230VAC

Part no. **ASBUZZ230**
167395

General specifications

Product name			Eaton Distribution parts
Part no.			ASBUZZ230
EAN			4015081638925
Product Length/Depth			90 millimetre
Product height			70 millimetre
Product width			18 millimetre
Product weight			0.059 kilogram
Compliances			RoHS conform
Product Tradename			None
Product Type			Distribution parts
Product Sub Type			None
Public Consumption			Yes
Product Family Description			ES-PMCC-PDC-Eaton Distribution parts
Globally Marketable			Yes

Technical data ETIM 9.0

Optical and acoustic signalling equipment (EG000035) / Buzzer (EC000844)

Electric engineering, automation, process control engineering / Electrical installation, device / Signaling technique / Buzzer (ecl@ss13-27-14-32-24 [ADI353012])

Nominal voltage		V	
Type of current			
Electricity consumption		A	
Degree of protection (IP)			
Degree of protection (NEMA)			
Loudness		dB	
Housing material			
Housing material quality			
Surface protection housing			
Housing colour			
Type of tone			
Mounting method			
Built-in transformer			No
