DC Power Adapter - 12V, 2A

Product ID: SVA12M2NEUA

This 12V DC power supply can provide a power source for any electronic device that has an M-type barrel and requires 12 volts and up to 2 amps of power.

The power supply is a perfect replacement for the lost or damaged 12-volt 2-amp power adapter you've used to power your existing electronics.

When downtime isn't an option, keeping spare power adapters on hand ensures that you won't be left waiting for a replacement to arrive or have to replace your devices just for the sake of a compatible power source.

This 12V 2A DC power supply is a direct replacement for the power adapters included with the following StarTech.com products:
