FAQ 1 QUESTION

What are the key features of SITEH3RO step drills?

FAQ 1 ANSWER

Our SITEH3RO step drills are designed with a non-slip split point, as well as a spiral flute for quick, optimal waste ejection.

FAQ 2 QUESTION

What is the benefit of SITEH3RO coating?

FAQ 2 ANSWER

The unique coating used on our SITEH3RO tool range has been tested to provide 75% longer tool life than an uncoated equivalent, this is due to the significant reduction in heat generation during use.

FAQ 3 QUESTION

What can I use a SITEH3RO step drill with?

FAQ 3 ANSWER

SITEH3RO step drills are designed for use with the range of SITEH3RO holders, however they are also suitable for use in 3-jaw drill chucks.
