SPECIFICATIONS

Material
50% Nylon 50% Polyester

Machine Washable At
40°C Maximum Up To 20 Times

Product Weight
21g

FEATURES

Enhanced Coverage

Provides coverage to the throat and upper chest area, offering protection against flying dirt and mud.

Easy Cleaning

Made from breathable foam with a nylon outer material, the cover can be wiped clean with soap and warm water and is also suitable for machine washing at 40°C.

Compatibility

Simple fitting to EVOGuard® M forestry visors via fastener strips positioned within the visor frame, helping to protect the fasteners against projected dust and dirt and increase usage life.
