Chemsol HG

Jacket with hood and elasticated wrists

Specifically designed for the food industry using a chemical-resistant 400gm² EPVC fabric featuring a protective lacquer, Chemsol HG offers a highly effective barrier against animal fats and food oils, delivering reliable protection.

KEY FEATURES

- Ring-pull zip for easy donning and doffing when wearing gloves
- Double storm facing velcro closure for increased protection
- Elasticated wrists ensure a snug and secure fit
- Raglan Sleeve for greater freedom of movement
- Elastomised PVC fabric finished with an oil & fat resistant lacquer
- Pair with the Chemsol HG Bib 'n' Brace for full body protection
- Garment can be reused if not contaminated or damaged

STORAGE AND MAINTENANCE

We recommend storing Chemsol HG garments in their original packaging, away from UV sources. After use, please follow the care instructions provided on the label. To remove any contamination, rinse the Chemsol HG clothing with cold water and allow it to drip dry in a shaded area, away from UV sources. It is advisable to store Chemsol HG clothing in a cool, dry, and clean environment.

NOTE: For hygiene purposes, it is recommended that the garment be worn by the same individual.

CHEMICAL RESISTANCE DATA

For chemical permeation data, please contact our sales department at **sales@globusgroup.com.**
