## SWIVEL BOLT HOLE 80mm RUBBER TYRE; POLY' CENTRE

Product Information :

Suitable for medium duty applications, these pressed steel castors boast polypropylene wheels and black rubber tyres. Available with or without a total stop brake and in an array of sizes and load capacities. Complete with needle roller bearing wheels and a swivel bolt hole fitting.

Features and Benefits
- Constructed of pressed steel for a robust product and overall product longevity
- Black rubber tyres are non-marking and thus protect your flooring
- Needle roller bearing wheels allow for optimum swivel and rotation
- Available in a host of specifications including with or without total stop brake to suit individual needs

Typical Applications
- Suitable for medium duty applications in the domestic, industrial and institutional settings

EAN Code - 5036140262140
