SWIVEL BOLT HOLE 100mm POLYURETHANE TYRE

Product Information :

Various pressed steel castors suited for general medium duty industrial applications. Available with the option of total-stop brake as well as in a host of sizes and load capacities. Fitted with durable polyurethane tyres and a hardy nylon centre. Possesses a swivel bolt fixing and roller bearing.

Features and Benefits
- Red non-marking polyurethane tyres for durability and resistance to general everyday wear and tear
- Swivel bolt hole fixture and a roller bearing to enable optimum levels of rotational movement for a smooth ride
- Pressed steel body and fixtures making it a robust product
- Available in a range of sizes and can also be purchased wit or without a total stop brake to suit individual requirements

Typical Applications
- For medium duty applications across a multitude of sectors including industrial, institutional and domestic

EAN Code - 5036140262539
