PACKAGING AND MAINTENANCE

IN-USE LIFETIME:	Up to 5 years, as long as undamaged
CLEANING:	Clean your eye protection using warm water and a mild soap. Only use a very soft, grease-free cloth to dry your eye protection. For disinfection, use a disinfecting spray that does not affect an anti-fog coating (where applicable) and that has an anti-bacterial, fungicidal and anti-viral effect.
STORAGE:	Store and transport eye protection in a way that will protect it from dirt, in the original packaging and in a dry place, protected from sunlight and frost. Ideally, store at room temperature.
DISPOSAL:	Small volumes of recyclable materials can be disposed of with general waste.
PACKAGING:	10 visors / inner box; 100 visors / outer carton
