Brand : Atlas Workholders

RUBBER TYRE POLYPROP' CTR200mm-20mmB WHEEL R/BRG

Product Information :

With a choice of plain or roller bearing, these red, polypropylene centred tyres are an ease way to instantly add mobility to your required furniture. Encased in a black rubber tyre that is cushioned to protect flooring and to ensure a steady ride.

Features and Benefits
• Polypropylene centre bolsters product longevity due to its durable nature
• Possesses either a plain or roller bearing to offer versatility
• Cushioned rubber tyres to ensure protection of flooring and resistance to general wear and tear
• Available in a variety of sizes and specifications to suit personal requirements

Typical Applications
• Ideal for use in any environment in which it would be beneficial to make an item mobile, such as industrial, institutional or domestic

EAN Code - 5036140264366
