

LEITZ

Leitz Ergo Mouse Pad with Adjustable Wrist Rest

The Leitz Ergo Mouse Pad with Wrist Rest is the perfect solution to help create a comfortable and active workspace. Designed to provide maximum comfort while sitting or standing, this wrist support certified by the IGR (Institute for Health and Ergonomics) combines an ergonomic design with very good tracking for both optical and laser mice. The computer mouse mat has 2 height settings and foam cushioned padding to ensure proper wrist alignment and reduce the risk of repetitive strain injuries. With it's minimalist design and matt finish, this stylish mouse wrist rest can have a positive impact on wellbeing by effortlessly creating the perfect active working set-up. Combine with other Leitz Ergo products for an inviting and flexible workspace to help you stay active and productive throughout the day.
