SMARTKNIFE+

The Knife With 15 Essential Tools

The **SMARTKNIFE+** features a black oxidised high grade stainless steel 60mm partially serrated (20mm) locking blade. It holds a medium Phillips driver bit in the dedicated magnetic holder. This bit fits into the bit driver at the head of the tool.

Smartknife+ sports 5 wrenches and 3 wire strippers, a pry bar function – ideal for removing unwanted nails, ruler, and a pocket clip and bottle opener – you couldn't ask for much more in a smart knife.
