DATA SHEET

Self Adhesive Floor Tapes

- Colour: Black
- Length: 18m
- Easy to install
- Ideal to provides extra traction on slippery surfaces
- Versatile, for indoor or outdoor use
- Resistant to water, motor oil, detergents, solvents and UV light
- Typical applications include industrial machinery, play apparatus, and stairs

Technical performances:

Total Thickness	0.8mm ± 0.2mm
Type of Adhesive	Solvent Acrylic
Mineral Type	Aluminium Oxide (80 grit)
Adhesion	5.Kg / 25mm
Tensile Strength	12KgF / 25mm
Application Temperature	10ºC to 50ºC
Elongation	5%
Temperature Range	-20ºC to 65ºC
Max. Size of Production Roll	1070mm x 18m
Resistance to UV	Good
Resistance to Water	Good
Resistance to Grease	Good
Life	12 to 24 months

Note:
Available in Black, White, Red, Green, Blue, Grey, Transparent, Yellow, Black &Yellow, Red & White

Width (mm)	Order Code
50	AVN-964-5360K
100	AVN-964-5370K
