DOUBLE-SIDED ACRYLIC TAPES

Ideal to protect water and gas pipes, cables, mechanical joints, valves, metal surfaces and tensioning bars against corrosion, with only minimal preparation required.

Features and Benefits

- Colour: Brown
- Material: Grease impregnated petrolatum tape
- Self-adhesive
- Adheres to surfaces without heating
- Waterproof
- Effective for long term sealing and protection
- Works above and below ground and under water
- **Conforms to British Gas Standard BG/PS/CW2**

Note

Does not require a primer.
The product can also be used for the sealing of temporary protections of cable splices.
