Product Code: AVN5370020K
Brand : Avon

STRETCHFILM AND STRAPPING CUTTER BLUE

Product Information :

Comprised of a high-impact plastic handle with an enclosed, steel blade to ensure maximum user safety. The ambidextrous design makes the product suitable for both left and right-handed users. Fitted with a keyring hole at the bottom end of the knife to keep the product safely on your person to prevent accidents or injuries.

Features and Benefits
- Durable steel blade can withstand regular use
- Plastic housing conceals the blade to reduce the risk of accidents and injuries
- Can cut through a variety of materials including plastic strapping, tape and cardboard which makes for a versatile product
- Can simply be disposed of when dull for ease
- Also boasts a keyring hole at the end to safely store the product about your person when not in use

Typical Applications
- Food Industry
- Warehousing
- Retail

EAN Code - 5036140296756
