DATA SHEET

Product Code: AVN9643750K
Brand : Avon

Red/White Barrier Tape in Dispenser - 75mm x 500m

Product Information :

Manufactured from PVC, these non-adhesive hazard tapes are well suited to cordoning areas of potential danger off to personnel. Available to purchase in either a red and white or black and yellow colour, each roll of tape is supplied in a dispenser for immediate use straight out of the box.

Features and Benefits
- Dispenser box ensures the tape doesn't get damaged or tangled when not in use
- Available in a red and white colourway or black and yellow dependent on your requirements
- Supplied in a dispenser box to allow you to easily select the correct amount for each use
- Manufactured from PVC which possesses strength, flexibility and durability

Typical Applications
- Ideal for use when warning pedestrians or personnel of a potentially hazardous area, to both forewarn and to separate the area off

Notes
- These products are non-adhesive

EAN Code - 5036140007215
