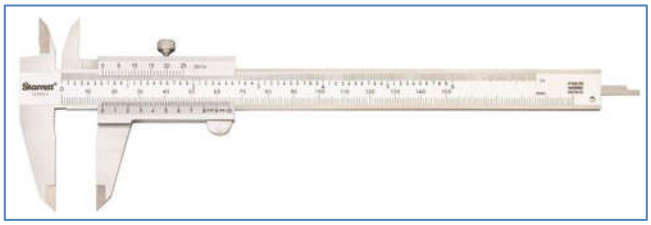
Datasheet
Vernier Caliper

RS Stock number 224-5457



Description:

An imperial/metric universal vernier caliper for internal and external measurements.
Stainless steel hardened to HV500, for maximum wear resistance
Satin chrome finish
Knurled thumbscrew slide lock

Precision calipers for accuracy in a wide range of measuring applications. Fully hardened stainless steel construction with an anti-glare, satin chrome finish. All measuring surfaces are ground and lapped for high accuracy.
There are four basic measuring methods: inside, outside, depth and step.

Features:

Range:	0 – 150 mm / 0 – 6 in.
Graduations:	0.020 mm / 0.001 in.
