COTSWOLD BRUSHWARE & CLEANING

DATA SHEET

# Professional Car Wash Brush

COT-907-1140K

Soft bristles with plastic body to prevent damage to car bodywork and leave the car without brush marks.

- Bristle material: Synthetic
- Fits 12mm (1/2") diameter hose pipes
- Extra wide for commercial vehicle use
- Excellent for achieving a perfect clean
- Water fed extension rods can be purchased separately to make any length

Note:
For 1830mm (72") extension rod, see COT-907-3720K.
