COTSWOLD BRUSHWARE & CLEANING

DATA SHEET

Stainless Steel Squeegee

COT-907-3800K

The perfect tool for cleaning windows both inside and out.

- Blade material: Rubber
- Width: 300mm (12")
- Ribbed hand grip, will not slip when wet
- Spring-loaded blade retention to allow the handle to be positioned anywhere along its length
- Designed to rapidly remove dirty water and suds
- For a clear, smear-free result
- Can be fitted to telescopic extension for those hard to reach areas

Notes:
Spare 300mm blade, see COT-907-3830K
