

CANVAS REACT PLUS SD

Creativity and Inspiration in Professional Quality

Kingston's Canvas React Plus SD card delivers high-performance speeds which are designed to work with industry-standard professional cameras for creatives that shoot 4K/8K videos and high-resolution photos. Designed with the latest UHS-II standards and top-of-the-line U3 and V90 speed classes, the Canvas React Plus SD enables you to shoot sequential burst-mode shots with recording speeds of up to 260MB/s[1]. Execute your creativity without experiencing slow speeds and dropped frames while maximizing workflow and efficiency. With transfer speeds of up to 300MB/s[1], enhance your post-production process and handle heavy workloads with ease while capturing cinematic quality in high-resolutions.

Kingston's Canvas React Plus SD card is the go-to performance SD card for content creators making their way in digital filmmaking and professional photography.

- **Ultimate speeds to support professional camera use**
- **Capture 4K/8K Ultra-HD high-speed shots without dropping frames**
- **Top-of-the-line performance for professional content creators**
- **Durable**

FEATURES / BENEFITS

Ultimate speeds to support professional camera use — With transfer speeds of up to 300MB/s[1] for enhanced post-production workflow efficiency and recording speeds of up to 260MB/s[1], this card easily handles burst mode shots and high-performance video recording.

High performance UHS-II standard for reliable high-resolution photography and video recording — Capture 4K and 8K Ultra-HD high-speed shots and videos without dropping frames.

Top-of-the-line performance for professional content creators — The Canvas React Plus leverages UHS Speed Class 3 (U3) and Video Speed Class 90 (V90) for peak performance with professional camcorders and digital cinema cameras.

SPECIFICATIONS

Capacities[2]
32GB, 64GB, 128GB, 256GB

Standard/Class
Class 10, UHS-II, U3, V90

Performance[1]
300/260MB/s Read/Write

Dimensions
24mm x 32mm x 2.1mm (SD)

Format
FAT32 (32GB)
exFAT (64GB-256GB)

Operating temperature
-25°C~85°C

Storage temperature
-40°C~85°C

Voltage
3.3V

Warranty/support
Lifetime

KINGSTON PART NUMBERS

1. Based on internal testing performance will vary based on host device. Advertised speeds require Kingston MobileLite Plus Reader and compatible UHS-II host device. Backwards compatible with UHS-I devices.
2. Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's Flash memory guide at kingston.com/flashguide.
