Dell 24 Monitor | **P2423D**

Dell 27 Monitor | **P2723D**

The world's # 1 monitor company*

* Dell monitors are #1 Worldwide for 9 years! Source: IDC Worldwide Quarterly PC Monitor Tracker, Q3 2023. From 2014 to 2023.

Pure productivity

P2423D

P2723D

Experience productivity, power and comfort with these QHD resolution monitors.

See more details, get more done

Experience your more details and clarity in you work. These 23.8" and 27" monitors with 2560 x 1440 QHD resolution enable you to multitask efficiently by displaying multiple applications.

Stay connected in any workspace

Connect to your devices and streamline your workspaces with display port, HDMI, and quick access SuperSpeed 5Gbps USB ports. Reduce cable clutter and keep your workspace neat with a the cable management system that hides cords in the monitor riser.

Uncompromised color and comfort

Optimize eye comfort with ComfortView Plus, a built-in low blue light screen that reduces harmful blue light emissions without sacrificing color. Easy-to-use with full adjustability for better comfort all day.

See and accomplish more

Enhance work efficiency with QHD (2560 x 1440) resolution on a 23.8" or 27" monitor.

Color consistency comes standard

See consistent, vibrant colors across a wide viewing angle enabled by In-Plane Switching (IPS) technology. With 99% sRGB coverage, you get precise colors right out of the box.

Extensive connectivity

Easily connect to a variety of devices with extensive connectivity ports, including display port, HDMI, and quick access SuperSpeed 5Gbps USB ports.

Functional design

Features 3-sided ultrathin bezel design, a small base and improved cable management for a clutter free desk at your home or at your office.

Optimize eye comfort with built-in **ComfortView Plus** that reduces harmful blue light emissions without sacrificing color performance.

Adjust to your

comfort Tilt, swivel, pivot, and height adjustable (150mm max)

Environmental standards

ENERGY STAR®, TCO Certified Edge, EPEAT® Gold registered

Easy-to-use joystick control

To navigate through the On-Screen Display (OSD) menu

Designed for you

These sleek monitors feature a small base and cable management design that hides cables in the monitor riser, for a clutter-free desk space at your office or home office.

Designed with purpose

The small base and elegant cable management system hide cords within the monitor riser.

Easy-to-use

Navigate the on-screen menu and adjust settings with the easy-to-use joystick control.

Work comfortably

Experience made-for-you comfort by tilting, pivoting, swiveling, and adjusting the height of your monitor (150mm max).

Dell Display Manager

Productive at every level

Easy Arrange allows you to easily tile multiple applications across one or more screens with 38 pre-set window partitions and the ability to personalize up to five windows, giving you improved multitasking abilities.

The key to convenience

Shortcut keys can save you even more time, letting you easily configure your display management settings so you can get to work faster.

Seamless transitions

The auto-restore feature remembers where you left off, so applications will go back to where you left them, even after you've unplugged.

More ways to manage

Asset management reports allow IT managers to quickly capture and track monitor information as well as configure multiple monitors at once through a single setup.

Recommended Accessories

Dell Single Monitor Arm | MSA20

Enjoy a virtually tool-free assembly and easy installation with this Dell Single Monitor Arm – MSA20. Dell Quick Release lets you snap on the Dell P Series monitor onto the arm simply without tools.

Dell Pro Wireless Headset | WL5022

Enjoy wireless freedom away from your PC with this Teams certified headset that offers convenient call controls. Switch seamlessly across your PC, tablet or smartphone and enjoy superior audio clarity on the go.

Dell Premier Multi-Device Wireless Keyboard and Mouse | KM7321W

Multitask seamlessly across three devices with this premium full-sized keyboard and sculpted mouse combo with programmable shortcuts and 36-month battery life.¹

¹ Based on Dell analysis of battery life usage model calculations, Nov. 2020. Results vary depending on use, operating conditions and other factors.

Sustainability on Dell Monitors

Environmental standards

This monitor is made of 85% post-consumer recyclable plastic in the design¹ and meets the latest environmental standards such as ENERGY STAR®, and TCO Certified Edge, and is EPEAT® Gold² registered.

Eco-conscious packaging

Designed with the environment in mind, Dell commercial monitors come in 100% recyclable cardboard packaging³

Energy conservation

Save energy when your monitor is not in use with PowerNap⁴, a feature that dims or puts your monitor to sleep when it's not in use.

¹ By weight of the total weight of plastic parts in product. Excludes printed circuit boards, labels, cables, connectors, electronic components, optical components, ESD components, EMI components adhesives, and coatings.

² EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

³ The outer box/corrugate cushion packaging and recycled fibers in Dell commercial monitor packaging (excluding D-series) are made from corrugate and virgin cardboard materials. Excludes foam cushioning and plastic bags.
