Product Code: EDI9045200K
Brand : Edison

EWT003 - Rubber LED Waterproof Torch 3W CREE LED, 2x D Batteries

Product Information :

A lightweight LED Torch powered by 2x D 1.5V batteries with a light output of 150 lumens and a light beam of 110m. It is manufactured from tough and durable rubber body that is waterproof making it ideal for outdoor applications.

Features and Benefits
- Super bright 3w CREE LED
- Long beam distance of 110m
- 200 lumins
- Impact resistance (drop test) 1m
- Long operating time of 16 hours
- Operating temperature -20 - 50°C
- IPX7 - may be immersed in water up to 1m deep for a duration of 30 minutes

Notes
- Requires 2x D batteries (not included)

EAN Code - 5036140398733

PRODUCT ATTRIBUTES

Battery Life	- 16hr
Battery Size	- D
Battery Type	- Alkaline
Beam Distance	- 110m
Bulb Type	- LED
Case Material	- Rubber
Colour	- Black
Ingress Protection Rating (IP Rating)	- IPX7
Lumens	- 150lm
MFR Part No.	- EWT003
Overall Length	- 220mm
Rechargeable	- Non-Rechargeable
Voltage	- 1.5V
