C6 ABS 6-Point Harness Helmet

These C6 ABS 6 Point Harness Helmets from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

The Halo® range of short peak side vented safety helmets have been designed with comfort and performance in mind. Available in a range of colours, each safety helmet is manufactured from ABS plastic with a 6-point textile suspension harness and fleece sweatband.

Both practical and stylish, these helmets are designed to protect personnel whilst on site. Each helmet also includes a rain gutter and slots for hearing or eye protection accessories.
