Banded Ear Plugs

These Banded Ear Plugs and Replacement Pods from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

For those who dislike wearing an ear plug inside the ear canal, these banded ear plugs from the Halo® safety range are ideal. The band provides ample pressure to maintain the SNR protection and can be worn under the chin or around the back of the head as well as in the traditional over-the-head position.
