DATASHEET

Light Amber Safety Glasses

These Lightweight Safety Glasses from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

These practical safety glasses provide high-quality protection in a range of workplace environments. The strong polycarbonate lens protects against impact and delivers UV protection when working outside.

Order Code

HAL9602312B

Features and Benefits

- Lightweight at just 22g for comfort during prolonged wear
- Polycarbonate construction makes for an extremely robust product
- Wraparound style for un-obstructive viewing whilst working
- Half frame for a lighter feel
- A microfibre bag replaces plastic packaging and can be used to clean and maintain the spectacles as well as provide storage
- Available in various colours to suit your needs
- Amber lens enhances brightness in low light conditions

Technical Information

- Lens Colour: Amber
- Lens material: Polycarbonate
- Lightweight design (22g)
- Does not fit over prescription glasses
