Reference pressure sensor - Model CPR6000

Reference pressure sensor - Model CPR6000

Item number:	48759392	
Quantity:	1 pcs.	
Order code:	CPR6000-N-KG000000-010000NJ-ZZ	Z000000001450001450
Overview:	Reference pressure sensor - Model CPR6000 mounted in CPC6000: not, because re-order of a sensor for an existing CPC6000 0.00 ... 100.00 kPa gauge Accuracy: 0.01% IS-50 Type of certificate: A2LA-Calibration certificate (traceable and accredited according to ISO 17025)	
Details:	Reference pressure sensor - Model CPR6000 mounted in CPC6000: not, because re-order of a sensor for an existing CPC6000 0.00 ... 100.00 kPa gauge Accuracy: 0.01% IS-50 Type of certificate: A2LA-Calibration certificate (traceable and accredited according to ISO 17025)
