These Wraparound Sporty Safety Glasses combine a sleek wraparound design with advanced features for optimal protection and comfort. The wraparound sports style ensures an unobstructed field of vision, while slim arms and an adjustable nose pad provide maximum comfort during extended wear. The lenses feature KN anti-scratch and anti-fog coating, offering clear vision in challenging environments. Supplied in a microfibre pouch made from 100% recycled materials, these safety glasses prioritise both functionality and sustainability. Compliant with EN166 1FT KN and EN170 standards, they deliver reliable protection and style in a black and wraparound frame.
