CAT II Scorpion Safety Goggles

These CAT II Scorpion Safety Goggles from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

These high-quality safety goggles from Halo® deliver excellent protection against category II mechanical risks. The clear lenses are treated with Antifog PLUS and Antiscratch PLUS technology to maintain optimum 180° vision in a range of environments.

The Scorpion's clear frame with a 2mm thick polycarbonate lens offers medium energy impact protection.
