DATASHEET

Foam Nitrile Palm Coated Gloves, Cut C

These Cut C Foam Nitrile Palm Coated Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a wide variety of sizes, these cut C foam nitrile palm coated gloves are an ideal way of keeping your hands protected against cutting injuries. The gloves have a HPPE/ fibreglass cut resistant material for durability.

Features and Benefits

- 13 gauge cut C resistant liner allows for excellent dexterity and protection as well as comfort
- Foam nitrile coated palm allows you to effectively grip dry, damp, oily and greasy components and is extremely resilient
- Features a HPPE/fibreglass cut resistant material to protect against cutting injuries
- Elasticated cuffs help to prevent the ingress of dirt and debris
- Designed for comfort, conformability and protection
- Available in various sizes to suit your needs
