DATASHEET

Cut D 18 Gauge Nitrile Gloves

These Cut D 18 Gauge Nitrile Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a wide range of sizes, these cut D 18 gauge cut resistant gloves are designed to offer protection against cutting injuries when working with sharp, hazardous objects or materials.

Features and Benefits

- 18 gauge cut D resistant liner allows for excellent dexterity and protection as well as comfort
- Foam nitrile coated palm allows you to effectively grip dry, damp, oily and greasy components and is extremely durable
- HPPE/fibreglass cut resistant material to protect against cutting injuries
- Elasticated cuffs protect against the ingress of dirt and debris
- Design ensures optimum dexterity, conformability and comfortability
- Available in various sizes to suit your needs
