DATASHEET

Cut F Sandy Nitrile Coated Gloves

These Cut F Sandy Nitrile Coated Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a wide range of sizes, these 18 gauge cut F liner gloves possess a sandy nitrile palm coating for excellent grip when handling oily or greasy components as well as protecting against cutting injuries.

Features and Benefits

- 18 gauge cut F resistant liner allows for excellent dexterity and protection as well as comfort
- Sandy nitrile palm allows for excellent grip even when handling great or oily components
- HPPE/fibreglass cut resistant material to protect against cutting injuries
- Elasticated cuffs protect against the ingress of dirt and debris
- Touchscreen compatible so you do not have to remove the glove when operating phones, tablets and other touchscreen devices
- Additional thumb crotch protection
- Design ensures optimum dexterity, conformability and comfortability
