# PSM02 1 ... 16 bar G 1/4 B acc. to ISO228-1

## pressure switch mechanical model PSM02

| | |
|---|---|
| Item number: | 30729980 |
| Quantity: | 1 pcs. |
| Order code: | PSM02-11-30B 20-P131Z-Z-3ZZ-ZZZZZZZ2 1 AZZZ |
| Overview: | PSM02 1 ... 16 bar G 1/4 B acc. to ISO228-1<br>Maximum system pressure: 60 bar<br>Material process connection: steel galvanised<br>measuring principle: Membrane<br>Diaphragm material: NBR -20 …80 °C<br>Case material: steel galvanised<br>Switching function: SPDT<br>Adjustable<br>switching capacity: acc. to Datasheet<br>Electrical connector: DIN EN 175301-803 with cable box<br>Restrictor: without<br>Certificates: without<br>Type of packaging: single/multiple packaging (from 10 piece) acc. to order quantity<br>Packaging instruction see: 14378446<br>Specifications according to data sheet: PV 34.82 |
| Details: | pressure switch mechanical model PSM02<br>Specifications according to data sheet: PV 34.82<br>Packaging instruction see: 14378446<br>measuring principle: Membrane<br>Material process connection: steel galvanised<br>Case material: steel galvanised<br>Switching function: SPDT<br>Process connection WN02.062: G 1/4 B acc. to ISO228-1<br>Diaphragm/sealing material: NBR<br>Electrical connector: DIN EN 175301-803 with cable box<br>Certificates: without<br>Setting of switching point: Adjustable<br>switching capacity: acc. to Datasheet<br>Restrictor: without<br>Type of packaging: single/multiple packaging (from 10 piece) acc. to order quantity<br>Unit: bar<br>Maximum system pressure: 60 bar<br>Setting range: 1 ... 16 bar |
