DATASHEET

Nitrile Palm Coated Gloves with a Sustainable Liner

These Nitrile Palm Coated Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in an array of sizes, these nitrile palm coated cut resistant gloves possess a liner that is manufactured from recycled plastic bottles, keeping you safe, comfortable and helping the planet at the same time.

Features and Benefits

- 15 gauge liner is manufactured from recycled plastic bottles to reduce your carbon footprint whilst retaining comfort
- Nitrile coated palm allows for dexterity even when handling oily or greasy components
- Elasticated cuffs effectively hold the gloves in place as well as preventing dirt and debris from ingressing
- Touchscreen compatible so there is no need to remove the glove when operating phones, tablets or other touchscreen devices
- Available in a variety of sizes to ensure you find the right fit
