DATASHEET

PU Coated Palm Gloves with a Sustainable Liner

These PU Coated Palm Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a wide range of sizes, these PU coated palm gloves are fitted with a sustainable liner manufactured from recycled plastic bottles, taking care of hand protection, comfort and helping to protect the planet.

Order Code	Size

Features and Benefits

- 15 gauge liner is manufactured from recycled plastic bottles to reduce your carbon footprint whilst retaining comfort
- Polyurethane (PU) coated palm allows for dexterity even when handling oily or greasy components
- Elasticated cuffs effectively hold the gloves in place as well as preventing dirt and debris from ingressing
- Touchscreen compatible so there is no need to remove the glove when operating phones, tablets or other touchscreen devices
- Available in a variety of sizes to ensure you find the right fit
